

User Job Aid: Create New non-VA User Record For Nursing Students

TMS WEBSITE: <http://www.tms.va.gov>

Purpose

The purpose of this job aid is to guide Health Professions Trainees through the step-by-step process of creating the Create New User tool in the VA TMS. In this job aid you will learn how to:

- A. Create New User Record 8 Steps
- B. Complete Required Training 6 Steps

Task A. Create New User Record

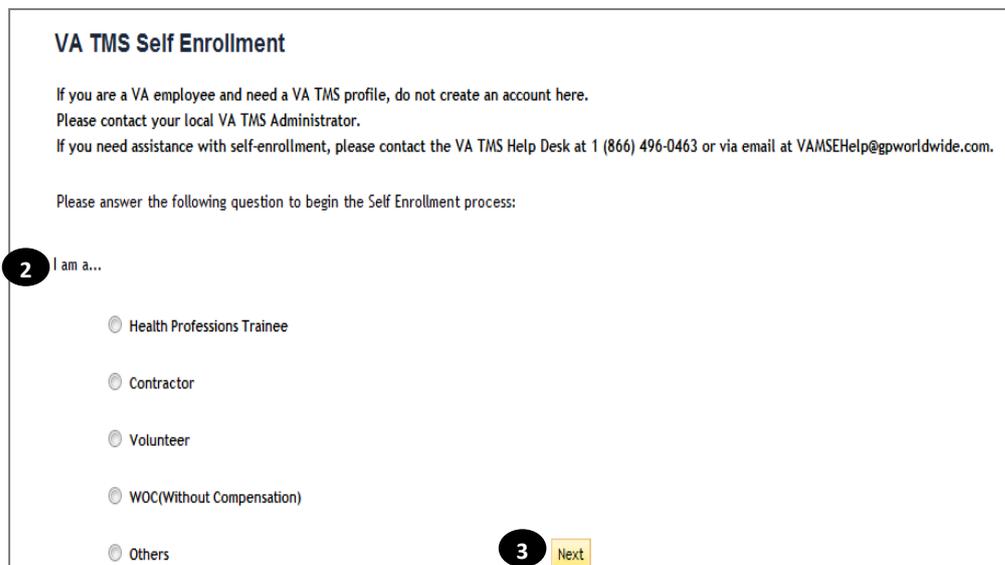

1 Step 1

From the Login page, in the **brown** navigation bar click the **Create New User** link.

2 Step 2

In the **VA TMS Self Enrollment** page, select the appropriate employment type. **Nursing Students need to choose Health Professions Trainee.**

3 Step 3

Click **Next**.

4 Step 4
In **My Account Information** section, fill in all required fields as noted by the **red** asterisk, taking care to type accurately when entering your Social Security Number, e-mail address, and legal name; proceed to **Step 5**.

4a Step 4a (If you don't have a Social Security Number).

If you are a foreign national, click the **click here** link.

4b Step 4b
If there is a security pop-up click **Allow**.

4c Step 4c
In the email pop-up add any additional information to assist the Admin like your name and contact information and click **Send**.

Note: Fields marked with * are required
