To Whom It May Concern:

I am writing this letter in regard to *Fred* [REDACTED]

I would like to thank all the wonderful personnel of the Veterans Administration that have assisted me in finding placement in a foster home for my brother, Fred. I would like to extend a personal thanks to the following individuals for all the assistance they have provided in finding placement for Fred: These individuals are: [REDACTED]
[REDACTED]
[REDACTED]

Without their help, placement of Fred in the home of [REDACTED] would not have been possible. [REDACTED] opened their home to become a VA Medical Foster Home. They have provided Fred with a living environment with support and assistance. This in turn has provided me with peace of mind knowing with the VA's help and the care giving provided by [REDACTED], Fred is well taken care of.

Thank you again for all the assistance you have provided Fred and myself. I am very appreciative of your services and would recommend your Foster Care Program to others in need.

Sincerely,

Thomas
