

How to change your address, phone numbers or email address via VA.gov

Step 1: Open your internet browser and go to the website www.va.gov

Step 2: In the upper right-hand corner, click on **“Sign In”**.

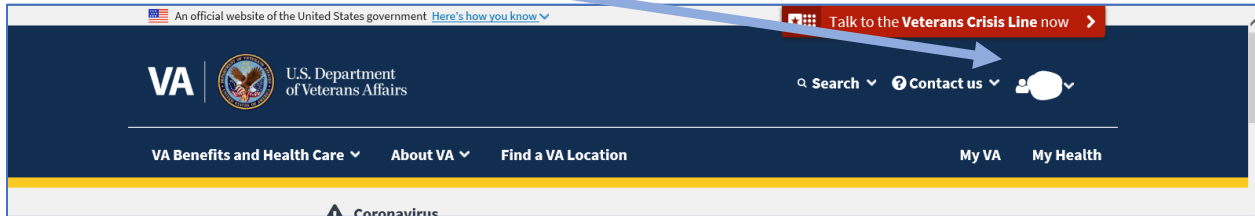

Step 3: A smaller window will open. Click on **“Sign in with My HealtheVet”**. If you do not have a My HealtheVet account please visit www.myhealth.va.gov. You can also use DS Logon or ID.me to sign in.

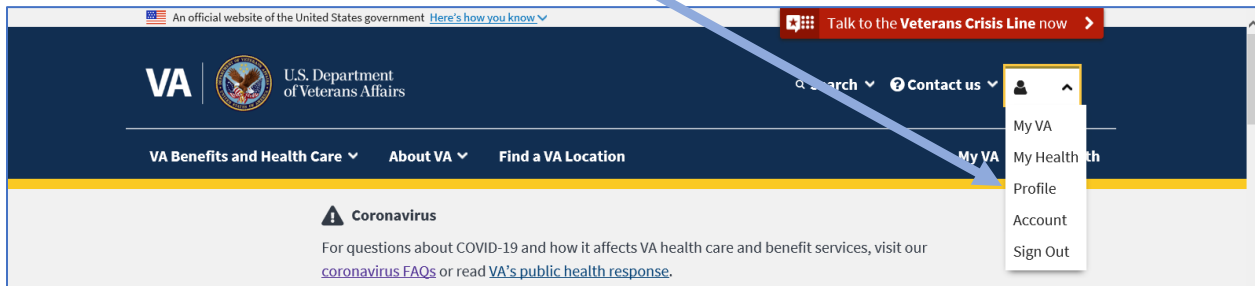

Step 4: Another window will open. Fill in your My HealtheVet **user ID** and **password**. Then click on **“Login”**.

The screenshot shows a login form titled 'Login to Manage Your Healthcare'. It has a sub-header 'Sign in with My HealtheVet'. There are two input fields: 'My HealtheVet User ID' and 'My HealtheVet Password'. Below the password field is a 'Show' link. At the bottom left is a blue 'Login' button.

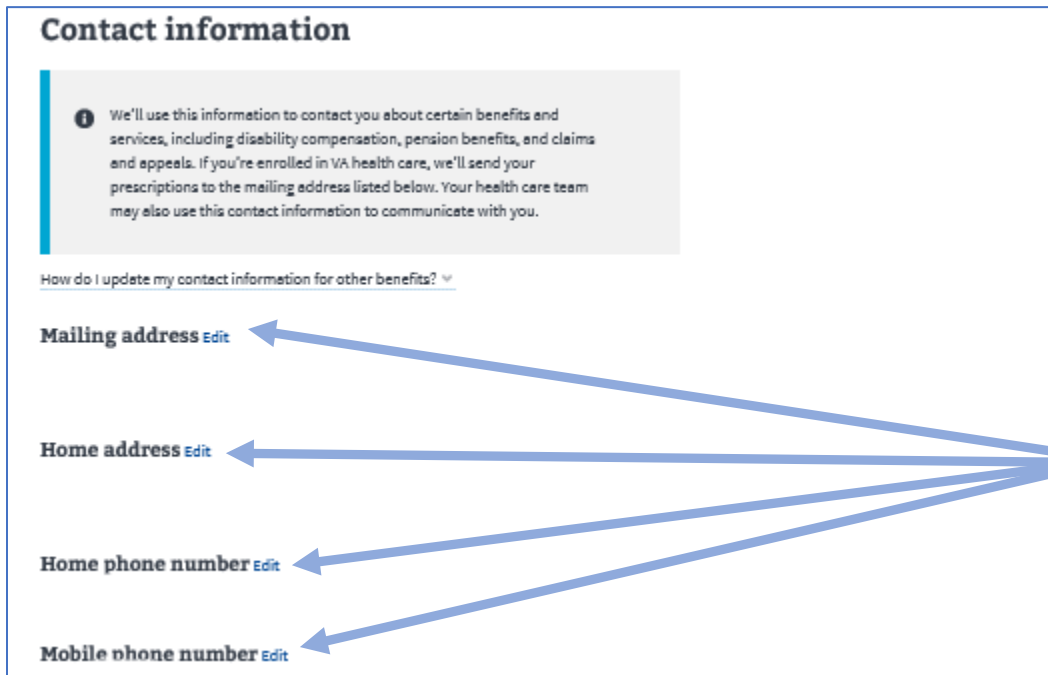

Step 5: In the upper right corner **click on your name** (your name should appear here, like in the example below).

Step 6: In the upper right corner click on **“Profile”** in the dropdown menu.

Step 7: On the next screen, scroll down and click on **“edit”** next to the item you want to change.

U.S. Department of Veterans Affairs
Veterans Health Administration
Minneapolis VA Health Care System

Step 8: Make changes, then click **“Update”**. Repeat as needed until you have made all your changes.

Step 9: Click on your name in the upper right corner and **“Sign Out”** when you are done making changes.
