

# MOVE! Bariatric Surgery Information Class – 2019

## Patient copy

ONLY for active MOVE patients considering bariatric surgery. Veterans must have been active in MOVE within the past 12 months. If not, they must complete a MOVE introduction visit first. Seminars are planned for the 3rd Wednesday of every month. Classes are approximately 60 minutes.

*These one-time classes cover educational requirements, details of the surgery, and the surgical evaluation process.*

MONTH	DAY	TIME	ROOM
